Just remember you are not giving anything to the government when you take out a Liberty Bond. The government does not ask for a gift. You are simply investing your savings in the best security there is at a good rate of interest. After the war is over you will wish you had purchased more. This however is not the prime motive for investment. Your loyalty to your country should prompt you to try all you can and back the boys on the battle front with every dollar you can save. Too much work and too little work seem to have about the same effect on persons past middle age. Proper action of the kidneys is necessary to good health. They act as a filter and remove from the blood poisonous waste matter which if permitted to remain in the system leads to many complications,

Many nervous, tired, run-down men and women suffer from pains in the back and sides, dizzy spells, bladder weakness, sore muscles and stiff joints and fail to realize that rheumatism, diabetes or even Bright's discuss may result. Godfrey, Forest Grove, Oregon.

Save Coal As Well As Wheat

The older the stove the more it wastes, not only in food and patience but in fuel. Saving a few pounds of coal each day means hundreds of pounds this winter, and saving fuel is just as important and commendable as saving flour.

A Modern Glenwood Range gives wonderful results with the smallest possible amount of fuel. Get one and start saving now.

Californian Had Kidney Trouble

Jack Maltos, Copperopolis, Calif., says: "I had such a severe case of kidney trouble I thought I would have to sell out my business. I took three bottles of Foley Kidney Pills which entirely relieved me and I have had no recurrence of kidney trouble since then."

no recurrence of kidney trouble since then."

Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder troubles. The ache across your back grows worse with every move you make and every step you take. It just seems to rob you of all strength and energy. Your head aches, you are nervous and worn out, sleep poorly and have no appetite, stomach is upset and bowels irregular.

Foley Kidney Pilis lessen the pain, until it is finally gone entirely. They give strength and tone to the kidneys—make them strong, active, their action, scomes regular and normal again, and your health grows better carh day you take this great leading medicine.
